What was your overall first impression of the website?

The design is clean, well-organized, and easy to navigate. The overall layout is clear and visually appealing, reflecting strong attention to detail and thoughtful structure.

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

The four images on the About Me page took slightly longer than expected to load, which may affect user experience. Optimizing image sizes or formats could help improve performance.

What do you feel are the most effective design elements of this web portfolio?

The most effective design element of this web portfolio is its consistency. The pages remain uniform across all pages, which helps create a smooth and professional experience.

What would you suggest be changed with the design or content of this web portfolio?

I would recommend optimizing the images to improve load times.
